

ABERDEEN AND DISTRICT CULTURE AND RECREATION

The Community Initiatives Fund invests in the quality of life of Saskatchewan residents by offering grants for community projects that help support community development, inclusion, leadership and vitality.

The Aberdeen and District Culture and Recreation Board (Parks and Rec) has received two CIF grants in recent years. In 2011 we were fortunate to receive funding to upgrade the ball diamonds. Last fall our application was approved for funding for new playground equipment. The board would like to take this opportunity to thank the Community Initiatives Fund for the support we have received in recent years. This funding has helped to enhance our community as we strive to make improvements to outdoor spaces that will allow residents to be more active.

Thank you to the following who helped to install the new playground equipment: Brad Oleksyn, Brian Vandenberg, Ryan, Sharlen, Evan and Tamara-Rae White, Steven, Tina and Daniel Stalker, Bruce Voldeng, Lori Sopoty, Wendy Campbell, Ben Levesque, Donna Duriez, Salix Grilz and Floyd and Grace Wudrick.

Every year the Aberdeen community receives funding from the Saskatchewan Lotteries Trust Fund for Sport, Culture and Recreation through the Saskatchewan Lotteries Community Grant Program. The funding is allocated to communities on a per capita basis. Local groups fill out application forms and the Aberdeen and District Culture and Recreation board processes the applications before sending them to Regina for approval. This year the following program groups will receive funding:

Dance Aberdeen
Aberdeen Ukrainian Dance
Aberdeen Minor Hockey
Aberdeen Creative Preschool
Sunset Rangers 4-H
Sunset Riders
Big Sky Soccer Association
Aberdeen Curling Club
