Auditor's Report

Summarized Financial Statements

December 31, 2022

MANAGEMENT'S RESPONSIBILITY

To the Ratepayers of **Rural Municipality of Aberdeen No. 373** :

Management is responsible for the preparation and presentation of the accompanying summarized financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards and ensuring that all information in the annual report is consistent with the statements. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of financial statements.

The Council is composed of elected officials who are not employees of the Municipality. The Council is responsible for overseeing management in the performance of its financial reporting responsibilities. The Council fulfils these responsibilities by reviewing the financial information prepared by the administration and discussing relevant matters with external auditors.

Jensen Stromberg Chartered Professional Accountants, an independent firm of Chartered Professional Accountants, is appointed by the councilors to audit the financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and administration to discuss their audit findings.

REPORT OF THE INDEPENDENT AUDITOR ON SUMMARIZED FINANCIAL STATEMENTS

To the Reeve and Council of Rural Municipality of Aberdeen No. 373

The accompanying summarized consolidated statements of financial position, financial activities, changes in net financial assets and changes in financial position are derived from the complete consolidated financial statements of **Rural Municipality of Aberdeen No. 373** as at **December 31, 2022** and for the year then ended on which we expressed an opinion without reservation in our report dated June 23, 2023.

These summarized financial statements do not contain all the disclosures required by Canadian public sector accounting standards. Reading the summarized financial statements, therefore, is not a substitute for reading the audited financial statement of **Rural Municipality of Aberdeen No. 373**.

Management's Responsibility for the Summarized Statements

Management is responsible for the preparation and fair presentation of these summarized financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of summarized financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the summarized financial statements based on our procedures, which were conducted in accordance with Canadian Auditing Standard (CAS) 810, ``Engagements to Report on Summary Financial Statements.``

Opinion

In our opinion, the summarized financial statements derived from the audited financial statements of **Rural Municipality of Aberdeen No. 373** for the year ended **December 31, 2022** are a fair summary of those financial statements, in accordance with Canadian public sector accounting standards.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2022

1. SUMMARY FINANCIAL STATEMENTS

The summary financial statements are derived from the audited financial statements, prepared in accordance with Canadian public sector accounting standards as at December 31, 2022 and December 31, 2021, and for the years then ended.

The preparation of these summary financial statements requires management to determine the information that needs to be reflected in them so that they are consistent in all material respects with, or represent a fair summary of, the audited financial statements.

Management prepared these summary financial statements using the following criteria:

a) the summary financial statements include a statement for each statement included in the audited financial statements;

b) information in the summary financial statements agrees with the related information in the related audited financial statements;

c) major subtotals, totals and comparative information from the audited financial statements are included; and

d) the summary financial statements contain the information from the audited financial statements dealing with matters that have a pervasive or otherwise significant effect on the summarized financial statements.

The audited financial statements of Rural Municipality of Aberdeen No. 373 are available upon request by contacting the Municipality.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements consolidate the assets, liabilities and flow of resources of the Municipality. The entity is comprised of all organizations owned or controlled by the Municipality and are, therefore, accountable to the Council for the administration of their financial affairs and resources.

The financial statements are prepared using the accrual basis of accounting using the accounting policies that are described in Note 1 to the Municipality's audited financial statements in accordance with the local government accounting standards established by the Public Sector Accounting Board. The accrual basis of accounting recognizes revenues as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods and services and the creation of a legal obligation to pay.

The preparation of the financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditures during the period. Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary. The measurement of materials and supplies are based on estimates of volume and quality. The 'Opening asset costs' of tangible capital assets have been estimated where actual costs were not available. Amortization is based on the estimated useful lives of tangible capital assets. These estimates and assumptions are reviewed periodically and as adjustments become necessary, they are reported in earnings in the period in which they become known.
