**2013 Citizen of the Year**

**Pest Control Officer/Weed Inspector**

The RM of Aberdeen is currently seeking a friendly individual to take on the position of Pest Control Officer and Weed Inspector. Please inquire at the RM Office if you may be interested.

**Plowing of Snow on Municipal Right of Way**

As the snow begins to arrive, please be advised the practice of plowing snow ONTO or ACROSS municipal right-of-way is NOT a permitted practice. Guilty Parties will be subject to Fines. This practice can cause serious safety issues for motorists and municipal road crew. Snow piles being left can cause drifting on the roadways, create ridges that settle and harden thus creating serious hazards to motorists and grader operators, and potential damage to graders. Individuals in contravention will have the snow removed by municipal road crews and all expenses incurred shall be borne solely by the responsible party.

**BUILDING & DEVELOPMENT OPEN PERMITS:**

The RM of Aberdeen would like to remind all of you that have OPEN outstanding permits that permits are valid for 12 months from date of issue. To avoid an order being placed on your property, please ensure all deficiencies have been corrected and final inspections conducted. We appreciate your prompt co-operation on closing all open permits in a timely manner.

### **Pest Control**

Creating a rat-free province involves a TEAM EFFORT. The Pest Control Act clearly identifies that the **responsibility for controlling & destroying pests resides with EVERY person who owns, occupies, or controls land & buildings.** That Includes ALL OF US!!

If you see any signs or suspect you may have a rat infestation, please contact **the RM Office IMMEDIATELY.** Rat Poison can be picked up at the RM office. We currently have bait stations in stock. They can be purchased at the RM Office.

### **Road Closures**

Parts of the Aberdeen South Grid and Gordon Road are still under water and will remain closed until further notice. The RM does not condone driving on any ice road or road that may have water over it. Road Closed signs are placed for your protection and are not to be ignored.

The Municipality would like to extend our gratitude for your tolerance and understanding as we deal with impassable roads, and road closures. Your assistance in reporting problem areas is appreciated and we request your continued patience as our road crew continues to fight the elements to provide roads that we will all be happy with.

### **Transfer Site**

Effective September 1<sup>st</sup>, 2013, the Transfer Site has implemented a User Pay System. Tokens for the Transfer Station may be purchased at The Town and RM Offices as well as Gido's and must be presented at time of drop off. The Operator will not accept cash. Please check online or at the office to find out the prices.

Open Wednesday and Saturday from 10:00 a.m. to 5:00 p.m.

The transfer site has a waste disposal bin for household refuse which is not recyclable or burnable. We do not accept shingles, tires and oil. You will be turned away from the transfer station.

The site is manned and the gate is locked at all times, except during operating hours as indicated. The municipality will not tolerate garbage being dumped on municipal roads. **There is a \$500.00 fine for anyone caught dumping garbage in the municipality and the municipality will prosecute anyone that fails to pay the fine.**

Congratulations to Vonda and Aberdeen communities for raising \$943.30 during our bottle drive. We added \$600 to make the total \$1543.30 to the Red Cross for the **Philippines disaster**. On behalf of Stepping Stones Ministries we are extremely thrilled with the response for our Community and I would like to thank all you generous people for your donations and contributions of the relief items that were collected for the victims of Typhoon Haiyan in the Philippines. Two relief containers arrived this past week and with the help of numerous volunteers the first one has been filled and already on it's way to port and another will be filled and sent immediately as well. Amazingly more than 1500 boxes of items will be distributed to the various areas that were heavily affected by the Typhoon. A missions team will be going to the Philippines in Feb. to help distribute items as well as re-build houses and Churches that were destroyed by the Typhoon. Again thank you all for your support!

## A few helpful hints from your local fire department

- Gas, Propane, Wood furnaces -  
Pull off the inspection cover and check for separation of seams.
- Wood Stove -  
Take stove pipe off chimney pipe and check for build up of creosol. Remember burn only cured wood.
- Electric heater -  
Check for broken insulation/cracked wiring.
- Keep live Christmas trees well watered, check Christmas lights before decorating---discard any sets that are frayed or damaged.
- Candles can set the perfect mood for a holiday celebration, but remember to always blow out candles before leaving the room or going to bed.
- Keep combustible items away from heat sources.
- Test smoke alarms and carbon monoxide detectors monthly - push the test button.
- Install new batteries yearly in smoke alarms and carbon monoxide detectors.
- Smoke alarms and carbon monoxide detectors should be replaced every ten years.
- Check fire extinguisher for expiration date.
- Keep clutter and combustibles out of the basement, particularly away from furnaces and hot water heaters.
