IN FLANDERS FIELDS

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.
We are the Dead. Short days ago
We lived, felt down, saw sunset glow,
Loved and were loved, and now we lie In Flanders fields.
Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow In Flanders

Transfer Station Hours

Open Wednesday and Saturday from 10:00 a.m. to 5:00 p.m. Located on the SW 12-39-03-W3.

The transfer site has a waste disposal bin for household refuse which is not recyclable or burnable. Several sites have been marked for items such as white metal, burnable etc. Painted wood is not considered as burnable. Transfer Station is pay per use for household garbage. Please contact the RM Office for prices. Household recyclables and compostable materials may be taken free of charge if placed in the proper pile or bin.

The site is manned and the gate is locked at all times, except during operating hours as indicated. The municipality will not tolerate garbage being dumped on Municipal roads. There is a \$500.00 fine for anyone caught dumping garbage in the municipality, and the municipality will prosecute anyone that fails to pay the fine.

Controlled Burn

Please notify the office at 306-253-4312 of **all** control burns within the RM. After hours and weekends, please contact the deputy fire chief Adrien

Hamoline at 306-230-1603.

The RM of Aberdeen charges \$500 for ALL fire calls that have our Fire Fighters leave the fire hall. If our fire department deems it necessary to call in adjacent fire fighters from neighboring municipalities, ALL costs and charges will be forwarded to the person responsible for starting the fire. This can add up to thousands of dollars in a very short period of time. Contact your insurance provider to ensure you have sufficient firefighting coverage to protect yourself in case of fires.

Plowing Snow

As winter is approaching, we would like to remind everyone that plowing snow onto or across municipal right-of-way is NOT a permitted practice. Guilty Parties will be subject to Fines. Plowing snow across the roadways creates ridges that settle and harden, creating serious hazards to motorists, grader operators and potential damage to graders.

Gravel

The Municipality will not be selling gravel in 2014. For gravel sale recommendations, please feel free to contact the municipal office.

Facebook

The RM of Aberdeen is now on Facebook. Please feel free to add us as a friend to receive up to date information.

Remembrance Day

The RM Staff and Council would like to extend our gratitude to all the Canadian soldiers. Lest We Forget.

ABERDEEN & DISTRICT FIRE & RESCUE

“Fire Safety Starts with You”—that’s the message for Fire Prevention Week across Canada, October 5 to 11, 2014.

The theme this year is “Working Smoke Alarms Save Lives. Test Yours Every Month!” Smoke alarms have become such a common feature of Saskatchewan households that they are often taken for granted and often are not tested and maintained as they should.

Aberdeen & District Fire & Rescue, along with their mascot Sparky, addressed the Kindergarten to Grade 3 students at Aberdeen Composite School about the importance of properly working smoke alarms, fire safety, and emergency planning. This year Hunter Berg was our “Fire Chief for a Day”. He got some great prizes and was also picked up for school and taken home in the fire truck.

Smoke alarms were again handed out to some students: Mason Procyshyn, Rylie Schaffel, Rianna Simonson, Sophie Davidson, Adison Hamoline, Hayden McLeod, Gabriel Matinez, Xander White, Zeyde Kocaogul, Kael Ruzicka, Ashlyn Laskowski, Colby Schoffer, Natasha Kopp, Ally Rempel, Rebecca Larsen.

Smoke Alarm Safety at Home – Here is what you need to know:

- Install smoke alarms in every bedroom, outside each sleeping area and on every level of your home, including the basement.
- Test your smoke alarms every month. Press the test button to be sure the alarm is working.
- If your alarm chirps it is a warning the battery is low so replace the battery right away. Replace batteries every year.
- Keep smoke alarms away from the kitchen to reduce false alarms. They should be at least 3 meters from the stove.
- Make sure everyone in the home knows the sound of the smoke alarm and understands what to do when they hear it.
- Replace all smoke alarms in your home every 10 years.

Kitchen/appliance fires are still the #1 cause of house fire ~ BE SAFE!

Thank you for making fire safety your priority
