Pest Control Officer/Weed Inspector

Denis Boyenko is the new Pest Control Officer/Weed Inspector for the Rural Municipality of Aberdeen. Rat poison can be picked up at the Office during regular business hours. Please call the RM Office 306-253-4312 or Denis at 306-220-8996 to report all suspected rat infestations.

Transfer Station Hours

Open Wednesday and Saturday from 10:00 a.m. to 5:00 p.m. Located on the SW 12-39-03-W3.

The transfer site has a waste disposal bin for household refuse which is not recyclable or burnable. Several sites have been marked for items such as white metal, burnable etc. Painted wood is not considered as burnable. Transfer Station is pay per use for household garbage. Please contact the RM or Town Office for prices. Household recyclables and compostable materials may be taken free of charge if placed in the proper pile or bin.

The site is manned and the gate is locked at all times, except during operating hours as indicated. The municipality will not tolerate garbage being

dumped on

municipal roads. There is a \$500.00 fine for anyone caught dumping garbage in the municipality, and the municipality will prosecute anyone that fails to pay the fine. The Transfer Station does not accept TV'S, shingles, construction materials, electronic equipment, animal parts/ carcasses, tires, batteries, farm chemical/oil containers, or grain bags!! Anyone with the aforementioned items will be turned away from the transfer station.

Controlled Burn

We would like to remind you that, as per Bylaw 2001-09, only small bonfire pits are allowed within the country residential developments without a burn permit. Please notify the office at 306-253-4312 of **all** control burns within the RM. If a passing motorist phones in to report a fire that you have not registered with the Municipality, we will be forced to fine you \$500. It only takes a moment to make the call. After hours and weekends, please contact the deputy fire chief Adrien Hamoline at 306-230-1603.

The RM of Aberdeen charges \$500 for ALL fire calls that have our Fire Fighters leave the fire hall. As you are aware, grass

fires can travel at rapid rates and risk to land and property can be disastrous in a short period of time. If our fire department deems it necessary to call in adjacent fire fighters from neighboring municipalities, ALL costs and charges will be forwarded to the person responsible for starting the fire. This can add up to thousands of dollars in a very short period of time. Contact your insurance provider to ensure you have sufficient firefighting coverage to protect yourself in case of fires.

Building and Development Permits

The RM of Aberdeen would like to remind all of you that permits are valid for 12 months from date of issue. If an extension is required, please submit your request in writing along with your signature to the RM office. Extensions will only be granted for up to 6 months from the date your permit expired.

Please visit our website for all upcoming meetings, events, forms, road closures and other important information.

ABERDEEN CURLING CLUB NEWS

The club is busy preparing for another great season. Thanks to those individuals who came out to our AGM and welcome to our new board members.

The exciting news is the curling club received sponsorship to purchase easy sheets. The sheets are custom made and all we do is roll them out and freeze them, in just a couple days we have a professional looking curling rink!! It is quite amazing to see and our sincere thanks to the following sheet sponsors:

Profitable Agronomics
Affinity Credit Union
Northland Logistics / Wendland Ag
Wholesale Tire / Titan Mining Services
Louis Dreyfus
Redhead Equipment

In addition we will be installing one heater this fall and replacing all our lightbulbs. **OUR CURLING RINK WILL BE A SHOWCASE FOR MILES AROUND!**

Our new season will start the week of November 4th. All registrations are due October 22nd. New this year is a Family / Learn to Curl league being held every second Sunday. We welcome those who are new to curling to try out this fun afternoon! Please fill out the registration sheet and drop off at the Rec Complex or contact Curling Club President Ryan Norman @ 253-4480 or 716-0803.

Aberdeen Hopper Bin Lotto Plus

The lotto was started to pay for a vision that many residents had in the community, our Complex. The lotto was started in 1996 and continued for 17 years. The lotto has struggled for the last 3 years competing against all the big lotteries and cost increases. One example advertising costs lowest year 37,000 highest year 93,000 dollars. Sorry to announce the lottery is not going to be operating any more.

We would like to Thank all who have supported the lottery by purchasing tickets, getting mail out ready, helping us in the office, answering phones and feeding us, could not done it without you. THANK YOU

We sold a total of 56,323 over the 17 years; bring in over 5 million in sales.

We gave cash for all the big draws except 1 and they took the bins. We gave away in prize money \$2,904,000. We are very pleased that we had 2 grand prize winners right here in Aberdeen.

TOTAL RAISED FROM **Aberdeen Hopper Bin Lotto Plus** Committee is \$1,549,521.00 TOWARDS COMPLEX.

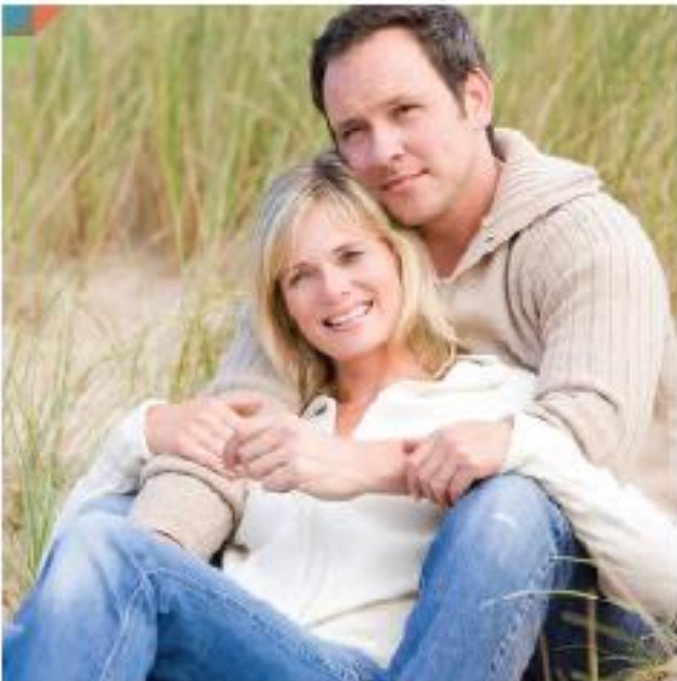

Sincerely Aberdeen Hopper Bin Lotto Plus Committee

*In so many cases, we don't need to use insurance until the **most challenging** times in our lives. But often, your customers don't think about the worst that could occur, or why they might need extended coverage. They could be under-insured when a tragedy occurs.*

We believe good insurance is an act of care... here's why.

"They're suing us for pain and suffering."

Chris's parents died in an at-fault collision and she owes \$1.2 million

Chris just helped her mom and dad celebrate their 45th wedding anniversary. They are "snowbirds" driving down to Miami for the winter when her dad's heart gives out and he loses control of the vehicle. Both her parents are killed in the accident that follows.

Chris and her husband get home from the funeral to find out that the couple who were hit are suing them, as inheritors of her parent's estate, for \$1.2 million.

It's far more than the estate is worth.

But the following week, SGI informs Chris that her parents' Auto Pak will cover the damages; as awful as the next few weeks will be, at least she doesn't have to worry about insurance.

Auto Pak. We care.

Do you know a senior who requires non-medical care in order to remain living independently at home?

Home Instead Senior Care provides in-home care for seniors through the work of our carefully selected and trained CAREGivers. We provide assistance with activities of daily living, including personal care and light housekeeping.

Please sign up today.

Thanks.

Aberdeen & District Fire & Rescue

Fire Prevention Week ~ October 5-11, 2014

Hey Kids (Kindergarten to Grade 3) enter the draw to be “**Fire Chief for a Day**”. You could get some pretty cool things, get picked up & dropped off in the fire truck for school. Get the details from your teacher - the week of Fire Prevention.

Fire Safety Starts at Home..

Most fatal fires in Saskatchewan start in the home. Kitchen fires are the #1 cause of home fires. You can protect your family and property by taking these fire steps.

Smoke alarms save lives ONLY when they are working

- Test smoke alarms at least once a month – push the test button.
- Install new batteries at least once a year or when your alarm “chirps” with a low battery warning.
- Smoke alarms do wear out – replace every 10 years.

Make an escape plan

- Plan and then practice your escape. Every member of your family should know at least two ways out from every room.
- Make sure open doors and windows are easy to open. When escaping from an upper story window, plan a safe way to the ground.
- Pick a meeting place outside the home where every member of the family can gather once they’ve escaped.
- Know your local emergency number and call from a cell phone or a neighbor’s house. Wait safely outside for the Fire Department to arrive.

Child fire play

- Children are fascinated by fire. Teach them about the dangers of fire and put fire starters out of their reach.
- Store matches and lighters up high or locked in cupboards.
- Don’t leave children unsupervised around candles or open flames.
- Teach your children their part in the family escape plan.
- Let children know they should tell an adult if they find matches or lighters lying out – never to touch them.

Heat safety

- Keep space heaters and wood stoves off when you go to bed or leave the house.
- Always turn space heaters off when you go to bed or leave the house.
- Never leave children alone with a working fireplace, wood stove or space heater.
- Use a metal spark screen on your fireplace.
- Have your chimney inspected once a year by a professional. Clean chimney and flue pipes of creosote build up.
- Burn only dry, seasoned wood in wood stoves and fireplaces.

Big fires start small

- Don’t give fire a place to start. Keep things neat. Clear clutter and combustibles out of basements – particularly near furnaces and hot water heaters.
- Never leave stove on, unattended. Use pot cover to smother fire.
- Do not overload an electrical outlet.
- Store flammable liquids – like paint thinners and gasoline – outside the home.
- Leave fire fighting to the experts. Fire grows surprisingly fast. Don’t waste precious seconds trying to control any but the smallest fire. Get everyone out and call the Fire Department from a safe place.
- Fire safety is a way of life. Make an escape plan and practice it regularly. Put reminders to check smoke alarms on the family calendar – and when the date comes up – make the check. Make a regular fire safety inspection and correct any hazards you find.

Thank -you for your overwhelming support at our Fall Supper. All was accomplished with volunteers – from ticket sellers, conveners, kitchen staff, set up, decorators, to clean up. But the biggest thanks goes to our youth volunteers – you did a super job!

Many thanks for donations of veggies, buns, pickles and pies – realizing over \$3000.00 adds to the viability of our great hall.
