Aberdeen and District Charities Inc. - Aberdeen Rec Complex Board of Directors
2014 Annual Meeting President's Address by Blaine Tomolak

2014 proved to be another challenging yet successful year. Our financial situation is by enlarge the biggest hurdle we face every day. Manager Jordan, Bookkeeper Mandi and Board Treasurer Dana juggle daily to keep stability and momentum our main focus. Constant ice plant and facility geothermal troubles keep the maintenance costs very high and are the main challenge to operations. As our facility ages, we must be diligent with maintenance and upkeep. Power is our largest cost, and we look at ways to reduce consumption.

Our hockey ice is in high demand due to good relations, quality product and the growth of the city. Jordan is continuing where Don left off by nurturing those relationships and providing high quality experience to our patrons; local, with the Aberdeen minor hockey association, public skating and two broomball clubs, as well as several groups from Saskatoon. Dry land training space, quality ice, hot showers, and clean dressing rooms are some of the amenities, with offerings from Paullina's Cafe and Catering to round out the package available here at the ARC. Our facility shines clean and bright thanks to the hard work of Julie Martens.

Curling numbers are down slightly this year with only Wednesday and Thursday curling. We had interest in Friday night but not enough to run a full rink, so the decision to cancel left some locals disappointed. The snowmobile rally proved to be a successful fundraiser, and will be again this December 27th as plans are in place for the 2nd annual. The commitment of curling club President Ryan Norman and the curling club Directors allows us the rewards of quality curling ice and a great looking facility. Through grant applications, marketing strategies and successful fundraisers they have provided the curling club with EZ sheets, making the ice better and brighter, and a heating system to make the experience more enjoyable.

Our playschool group managed by Janet Buhler is now 15 strong which means our community is growing and finding the Rec Complex to be a valuable resource. The Wheatland library continues to be a popular venue with librarian Ann Maille being open three days a week with story time, a book club, and other activities. Public skating is available again this winter on Wednesday afternoons; a skate maintenance center is open and available with supplies; Jordan's' Gym and Health Center is accepting new members.

The Dance Aberdeen group continues to thrive and we are glad to have them. The local taekwon-do club has also seen an increase in numbers. A local business operates their office in our complex. Our bowling alley is open and ready for business. League bowling can start anytime, as that will nicely compliment the weekend fun had there by our out of town guests.

Our lounge continues to be an enjoyable place to visit as our Joana cheerfully sets up the bar, teaming with Paullina's for snack orders. We find the busy nights as Wednesday and Thursday after curling and hockey, and some tournament weekends as well.

It seems we have it all here, in our little self made corner of paradise. For those that use our facility, that s the image we want to portray. Those that ARE our facility understand the commitment it takes to put out that message. Those of us that are the facility need more help to make our place better and even more attractive.

Fundraising efforts, like to one made by our own Real and Adrian Hamoline and crew, raising over \$31,000 by seeing an opportunity to grow a canola crop on land donated by Northland Logistics; Or like Dan Fletcher, Ken Kruger and Shawn Letkeman seeing an opportunity for the last three years by growing wheat and canola on a portion of land the Town owns, and donating those profits to the Rec Complex. These are perfect examples of our friends and neighbors going beyond themselves and committing to selflessly donating their time and efforts for the good of the community. We should also mention the Hopper bin lotto committee, lasting for 17 years raising over \$1.5 million for the complex to pay for the mortgage. Many other examples of past individuals and groups that have put in time and efforts to make our community better are known - just look at around our facility to see the memories and plaques on the walls. Its fundraisers like these that built our Rec complex.

It's like a continuum that needs to flow; The only way for this center of our community to continue is to have that flow continue. It's up to us all to do our part and be a part of the community we raise our families in.

Happy Family Day!

Soccer

Soccer season is right around the corner. This year coaches and refs need to be prepared in order to make our short time on the pitch effective, memorable, and fun for players. If you are interested in becoming a ref or you are a ref, Valley Soccer Association has introduced a new mentor program designed to help refs advance their game calling, gain confidence and work their way into officiating games throughout the province. Experience is not required to coach or ref and you don't have to have kids registered in soccer. We do require participants to have a love of soccer, enjoy working with kids and a criminal record check. Big Sky Soccer is looking for kids and adults interested in becoming a referee or coach. Clinics will be held in Martensville at the Martensville Athletic Pavilion on the following dates:

Active Start: Designed for the first time coach U4 and U6 and focusing on teaching good physical skills and basic physical literacy. **February 7-8 and February 14-15 both times 9am-1pm.**

FUNDamentals: Designed for coaches to learn how to develop the ABC's of movement: agility, balance, coordination and speed, while running a practice session that is fun, safe and keeps children engaged. **February 28-29 and March 21-22 both times 9am -5pm.**

Learn to Train: The emphasis of this course is on technical and tactical development within a small sided game environment (6v6), (7v7), (8v8). You'll learn how to teach basic principles of play and how to establish training ethics and discipline in a fun and challenging environment. **April 11-12.**

Aberdeen Christmas Miracles

The generosity of the Aberdeen and area people is heartwarming! It leaves Mrs. Claus and # 1 elf speechless again! You have adopted 33 children this year and helped brighten the season for 18 Seniors.

All those listed are donors, although many more wish to remain anonymous. (A special thank you to all those I for to add to the list). A special thank you to all the Elves that made this possible, and to all those "Angels" who arrived on our doorsteps with armloads of gifts, clothes and goodies.

We wish to send a special thank you to Nicky Jansen for her awesome fundraiser and to the Ladies Clothing Club for their fundraising Auction. What a marvelous success!! Mus. Claus sends hugs to the Chocolate Fairies - you succeeded!

The family of Lil Mackintosh would like to thank the community, friends, and family for their support and condolences as we mourn the loss of our beloved mom, grandmother, and great grandmother. Lil was 94 years old at the time of her passing. For many of those years, she lived in the town Aberdeen or on the farm near Aberdeen. She lived here in our community until February 2014, when she moved to a care home in Saskatoon. She had many great friends in the community and we were pleased to have them join us and share their stories with us at her memorial service. Your gracious support of food, flowers, and kind words were greatly appreciated by our family. She will be greatly missed.
