TOWN OF ABERDEEN

COUNCIL'S CORNER

Town Council meetings are open to the public. We meet at the TOWN OF ABERDEEN Office Chambers, 401C Main Street, 7:00 pm every 3rd Tuesday of the Month. Our next council meeting is scheduled for April 19th.

Any Delegations wishing to address Council are required to complete a Delegations Policy form and have it submitted to the Town Office no later than the Thursday prior to Council meeting date. You may obtain these from the Town Office. These forms are also available on our website www.aberdeen.ca

CHECK FOR WATER LEAKS

Leaking Toilets:

Toilet leaks can waste hundreds of gallons and often times are silent. Even a small leak can add up to a lot of wasted water and money over time. Fortunately, most toilet leaks are easy and inexpensive to repair.

Leaking Faucets:

Leaking faucets are generally a result of a worn rubber washer. The washer on a sink is usually located under the handle.

Now that the snow is gone. Please start beautifying our Town by tidying your properties and removing junked vehicles, etc.

Happy Easter

FLOOD PREVENTION

Individual Property Owners:

- Clear neighbourhood storm water catch basins, where present, to help water drain.
- Shovel or remove snow from around your home and move it to a position where melt water will drain away from the foundation.
- Ensure downspouts are extended so they discharge rain or melt water a minimum distance from your home to avoid it draining back towards your foundation. The suggested minimum distance is two metres.
- Check to make sure your sump pump is working. If you don't have a sump pump consider installing one. Contact a plumber for assistance if needed.
- Consider installing a mainline Sewer Backwater Valve to protect against sewer backup.
- Keep basement sewer caps in place.
- Check your basement regularly for signs of water and consider installing a water-sensing alarm.

Please check our website or our Facebook page for notification pertaining to the spring road restrictions. For information on maximum weights permitted during the road bans, please contact the Department of Highway at 1-800-667-7575 or visit their website www.highways.gov.sk.ca/
