Road Crew Foreman:  
Roy Lozinsky

We would like to remind everyone that plowing snow onto or across municipal right-of-way is NOT a permitted practice. Guilty Parties will be subject to Fines. Plowing snow across the roadways creates ridges that settle and harden, creating serious hazards to motorists, grader operators, and potential damage to graders.

### **Transfer Station Hours**

Open Wednesday and Saturday from 10:00 a.m. to 5:00 p.m. Located on the SW 12-39-03-W3. The transfer site has a waste disposal bin for household refuse which is not recyclable or burnable. Several sites have been marked for items such as white metal, burnable etc. Painted wood is not considered as burnable. Transfer Station is pay per use for household garbage. Please contact the RM Office for prices. Household recyclables and compostable materials may be taken free of charge if placed in the proper pile or bin.

The site is manned and the gate is locked at all times, except during operating hours as indicated. The municipality will not tolerate garbage being dumped on Municipal roads. There is a \$500.00 fine for anyone caught dumping garbage in the municipality, and the municipality will prosecute anyone that fails to pay the fine. The Transfer Station is no longer accepting old Propane Tanks.

### **Garbage Bins**

Garbage bins must be kept off the road allowance except for Tuesdays when garbage pickup is scheduled. Garbage bins left on the roads interfere with the road crew's ability to effectively maintain the roads and ditches. Garbage bins left on roadways can also serve as a safety hazard to other motorists. The Rural Municipality will not be responsible for any damages caused by the graders if your bins are not back a minimum of 150 feet from the center of the municipal right of way.

### **Spring Ratepayers Supper**
