The Advance poll will be on October 13th, 2016 from 1:00 pm until 8:00 pm and Election Day will be October 26th, 2016 with voting from 9:00am until 8:00pm. Controlled Burn

There are new regulations for registering your controlled burn. To register your controlled burn, you must register it first with the municipality by calling 306-253-4312 or Adrien Hamoline after hours and weekends at 306-230-1603. Then, you must Register your Burn with the Provincial Fire Center at 1-866-404-4911. The Provincial Fire Centre has the ability to see where a call is coming from and if it's close to a reported controlled burn. If a passing motorist phones in to report a fire that you have not registered with the Municipality and the Provincial Fire Center, we will be forced to fine you \$500. It only takes a moment to make the call. DO NOT plan any controlled burns when the wind is blowing!!! The RM of Aberdeen charges \$500 for ALL fire calls that have our Fire Fighters leave the fire hall. If our fire department deems it necessary to call in adjacent fire fighters from neighboring municipalities, ALL costs and charges will be forwarded to the person responsible for starting the fire.

Gravel

The Municipality will not be selling gravel. For gravel recommendations, please feel free to contact the municipal office.

Liz Soonias, candidate for Reeve of the R.M. of Aberdeen.

I've been a resident of the R.M. for several years. I bring over 15 years accounting and management experience. I've supervised teams at the local and regional level. I'm experienced at communicating with various groups and stakeholders. I've recently stepped away from my career to focus on raising a young family with my husband allowing me to commit additional time to community interests.

As Reeve, I will be a strong leader at the council table. Ensuring councillor and ratepayers concerns are addressed in a professional manner. Creating an environment where council is accountable to its ratepayers; making decisions based on community interests instead of erest. Guaranteeing tax revenues are properly administered within the R.M. in an equitable manner. I will work with council to find new opportunities to grow this R.M. for the betterment of all ratepayers. I think its time for change and new leadership in this community. I welcome the opportunity to fill that role. I look forward to meeting with residents and would appreciate your support in the upcoming election.

Floyd McMartin, candidate for councillor of Division 1 in the R.M. of Aberdeen.

I was born and raised on a farm. I'm a business owner having started Hold-On Industries Inc. in the R.M. in 1980. We are now expanding and moving the operation into the Town of Aberdeen. With this transition I am now retiring as my son Chad takes over the business. Given that I now have more time to devote to the community I have decided to run for council.

As your councillor in Division 1 I will bring the concerns of ratepayers to the council table for resolution. I will address ongoing issues in the area with respect to dust control and road maintenance. Advocating responsible spending of tax dollars. Making sure that all members of the R.M. have a voice that will be heard and their problems addressed in a fair and timely manner. I believe the R.M. of Aberdeen needs new members that will bring new ideas for our changing times. I look forward to meeting with Division 1 residents and earning your support.

My name is **Mark Schaffel** and I am running for councillor of Division 3 in the R.M. of Aberdeen, Tammy my wife of 19 years and I are raising three children on an acreage just outside of Aberdeen. All three kids go to school in Aberdeen and our son plays hockey for the Aberdeen Flames Bantam hockey team. I am a big believer on being involved in my community and making a positive social impact.

I have been a member of the Aberdeen Minor Hockey Board for 3 years and in the role of vice president for just over a year. I have been directly involved with fund raising for the Children's Hospital for over 10 years in our goal of building a Children's Hospital in Saskatoon. I am looking forward to meeting many of the residents of Division 3 over the next few weeks and hope to have your support in bringing a positive and well balanced local government to the R.M. of Aberdeen.

Aberdeen & District Fire & Rescue

Fire Prevention Week ~ October 2-8, 2016

Hey Kids (Kindergarten to Grade 3) enter the draw to be "**Fire Chief for a Day**". You could get some pretty cool things, get picked up & dropped off in the fire truck for school. Get the details from your teacher - the week of Fire Prevention.

Fire Safety Starts at Home...

Most fatal fires in Saskatchewan start in the home. Kitchen fires are the #1 cause of home fires. You can protect your family and property by taking these fire steps.

Smoke alarms save lives **ONLY** when they are working

- Test smoke alarms at least once a month – push the test button.
- Install new batteries at least once a year or when your alarm “chirps” with a low battery warning.
- Smoke alarms do wear out – replace every 10 years.

Make an escape plan

- Plan and then practice your escape. Every member of your family should know at least two ways out from every room.
- Make sure open doors and windows are easy to open. When escaping from an upper story window, plan a safe way to the ground.
- Pick a meeting place outside the home where every member of the family can gather once they’ve escaped.
- Know your local emergency number and call from a cell phone or a neighbor’s house. Wait safely outside for the Fire Department to arrive.

Child fire play

- Children are fascinated by fire. Teach them about the dangers of fire and put fire starters out of their reach.
- Store matches and lighters up high or locked in cupboards.
- Don’t leave children unsupervised around candles or open flames.
- Teach your children their part in the family escape plan.
- Let children know they should tell an adult if they find matches or lighters lying out – never to touch them.

Heat safety

- Keep space heaters and wood stoves off when you go to bed or leave the house.
- Always turn space heaters off when you go to bed or leave the house.
- Never leave children alone with a working fireplace, wood stove or space heater.
- Use a metal spark screen on your fireplace.
- Have your chimney inspected once a year by a professional. Clean chimney and flue pipes of creosote build up.
- Burn only dry, seasoned wood in wood stoves and fireplaces.

Big fires start small

- Don’t give fire a place to start. Keep things neat. Clear clutter and combustibles out of basements – particularly near furnaces and hot water heaters.
- Never leave stove on, unattended. Use pot cover to smother fire.
- Do not overload an electrical outlet.
- Store flammable liquids – like paint thinners and gasoline – outside the home.
- Leave fire fighting to the experts. Fire grows surprisingly fast. Don’t waste precious seconds trying to control any but the smallest fire. Get everyone out and call the Fire Department from a safe place.
- Fire safety is a way of life. Make an escape plan and practice it regularly. Put reminders to check smoke alarms on the family calendar – and when the date comes up – make the check. Make a regular fire safety inspection and correct any hazards you find.

LIBRARY NEWS

StoryTime

Storytime - Wednesday mornings from 10:00 – 11:00 bring your little ones in for songs, crafts, treats and stories!

We have a pretty big collection of used books for sale at the library and the price is \$.50 each or 5 for \$2.00!

Watch our Facebook page for updates.

Go “like” our Facebook page to keep up with the latest news, and events in the library.

<https://www.facebook.com/AberdeenBranchLibrary>

With the kids back to school and all the extra activities started back up again the library is a busy place! We have lots of new smiling faces on our preschool mornings. It’s always nice to see some of our communities’ youngest members learning to appreciate books.

We also had the awesome visit from Ernie Louttit just last week. Thanks for the support of everyone who came out.
