Call for nominations will be from September 1st, 2016 until September 21st, 2016. Nomination forms must be filled out correctly and received by the Nomination Officer no later than 4:00 pm on September 21st, 2016. Controlled Burn

There are new regulations for registering your controlled burn. To register your controlled burn, you must register it first with the municipality by calling 306-253-4312 or Adrien Hamoline after hours and weekends at 306-230-1603. Then, you must Register your Burn with the Provincial Fire Center at 1-866-404-4911. The Provincial Fire Centre has the ability to see where a call is coming from and if it's close to a reported controlled burn. If a passing motorist phones in to report a fire that you have not registered with the Municipality and the Provincial Fire Center, we will be forced to fine you \$500. It only takes a moment to make the call. DO NOT plan any controlled burns when the wind is blowing!!! The RM of Aberdeen charges \$500 for ALL fire calls that have our Fire Fighters leave the fire hall. If our fire department deems it necessary to call in adjacent fire fighters from neighboring municipalities, ALL costs and charges will be forwarded to the person responsible for starting the fire.

Gravel

The Municipality will not be selling gravel. For gravel recommendations, please feel free to contact the municipal office.

Open Wednesday and Saturday from 10:00 a.m. to 5:00 p.m. Located on the SW 12-39-03-W3. The transfer site has a waste disposal bin for household refuse which is not recyclable or burnable. Several sites have been marked for items such as white metal, burnable etc. Painted wood is not considered as burnable. Transfer Station is pay per use for household garbage. Household recyclables and compostable materials may be taken free of charge if placed in the proper pile or bin. There is a \$500.00 fine for anyone caught dumping garbage in the municipality, and the municipality will prosecute anyone that fails to pay the fine. The Transfer Station is no longer accepting old Propane Tanks.

Garbage/Recycling Bins

Garbage bins must be kept off the road allowance except for the Mondays or Tuesdays when garbage/recycling pickup is scheduled. Garbage bins left on the roads interfere with the road crew's ability to effectively maintain the roads and ditches. The Rural Municipality will not be responsible for any damages caused by the graders if your bins are not back a minimum of 150 feet from the center of the municipal right of way.
