ABERDEEN EASTER “MIRACLE” TREE

We would like to thank everyone for their support with this fundraiser. It was a huge success!

I am thrilled with the response and exposure we have received.

Here are some of the highlights:

- When our tree had about 1200 eggs on it, I posted about our tree on a Saskatchewan Photography Facebook page, and everyone there got excited that there was going to be something different to take pictures of. Thus many photographers payed a visit to Aberdeen in search of the perfect picture of our tree.
- The photographers took it upon themselves to spread the word – sending pictures to other sites, newspapers and other media’s – pictures were shared and comments were made by as far away as South Africa.
- Our Facebook page went crazy, I was getting message after message asking questions about the tree. People from across Canada and USA wanted to donate, so we opened up our sales of eggs again. The farthest locations I sold eggs to were Ottawa, BC, New Jersey and California.
- At that point I made the executive decision that it was important that the tree fill up, so I put on a 2 for the price of 1 sale. Sold out in 1 day basically. On Good Friday, a group of local people went out and hung the rest of the eggs to the maximum of 2664 eggs.
- Again out comes the photographers ☺
- There were a couple special requests – the clump of gold eggs were a memorial donation from a local family in memory of their daughter and sister, and if you looked closely at the tree there were 2 baby blue eggs hung in memory of the little boy who was lost and found drown in Manitoba (requested by a lady in Winkler, Manitoba). I asked Joanne –our most supportive photographer- if she would come out and take pictures of the blue eggs. She did a wonderful job focusing on the blue eggs while making the twinkle of the background eggs turn into little hearts. Photos of these eggs have been sent on to the family of the little boy in remembrance.
- I have had requests from Alberta, Manitoba and 2 towns in Sask. for advice on how to do this as a fundraiser.

There are a few people who need a special thank you! Without you this would have never have happened. Kelly and Candace Ens, AND Renee and Scott Horner, - thank you for getting those eggs to the top of the tree! The committee who helped organize the whole project – you did an awesome job as we struggled through our 1st year. Brenda and Carol Wudrich, Paulette Hudon and Carolyn Hoffert for stringing all the ribbons on the eggs. Thanks to everyone else who came out in the cold to hang eggs on the tree. A special thanks to all the people and businesses who sold eggs for us. And the biggest THANK YOU to all of you for sponsoring the eggs.

We look forward to next year – for bigger and better! We now have approximately 3700 eggs for next year. You will have to wait till next year to see what we do with them ☺

Thanks for your support!
