This notice and time-frame is the only opportunity for appealing assessments during the year.** If you disagree with the property value established by SAMA, there is a formal appeal process available to you. Happy Mother's Day

Thank you from the bottom of our hearts.....

We would like to thank everyone for all the food, flowers, cards and organizing the amazing family supper after the passing of our parents Ralph & Nora Rogne. It has been a tough three months for our family, but with the help, thoughts, prayers and hugs from friends and family in our community it made these hard times easier to cope with. We will never forget all the kind words, the hugs and the waves out the window of your vehicles as you passed by us on the street. This will be with us forever and cherished dearly. We know that Mom, Dad and Rocky are together now and will always be looking down at us with a smile and watching over us as we continue on with our lives.

ABERDEEN CURLING CLUB ANOTHER GREAT YEAR!!!

The Aberdeen Curling Club has had another year full of improvements and new events! We have a strong and committed executive with new members coming on board. The easy sheets are still looking great and have been a joy to remove and install. We had a special roller made to accommodate easy roll up and safe storage for the sheets. Thank you to Versatile Concepts in Vonda for your donation towards the Roller. Thank you to Wig's Pumps & Waterworks for sponsoring a new pump which helped greatly with ice installation!

The sheets have made a tremendous difference in the look of the rink and the time needed to prepare the ice. We now have the ability to turn the plant off as needed to melt the ice back to level, giving us fresh ice. We cannot thank our sheet sponsors enough for the contribution they have made to improve the curling in Aberdeen.

Thank you once again to these community builders:

Saskatoon Wholesale Tire and Titan Mining Services
Northland Logistics and Wendland Ag
Profitable Agronomics
Affinity Credit Union
Redhead Equipment
Louis Dreyfus Commodities
Real Hamoline

The next step for The Aberdeen Curling Club was to replace our aging rocks with refurbished sets. Once again it shows what a fantastic community we live in as the following companies stepped up to answer the call!

Richardson Pioneer Aberdeen Agencies Affinity Credit Union

Thank you so much for the beautiful stones!!

We cannot forget to mention our year to year rink sign sponsors! Each year we delegate money for new brooms and sliders to help out the Learn to Curl and School Programs.

THANK YOU THANK YOU THANK YOU THANK YOU THANK YOU

We received a special donation this year from T.B. Septic which was a set of Junior rings which we set into the curling ice 1/2 way. These help young curlers be able to get their rocks into rings without compromising correct form and technique! Thank You!

It is very evident how fortunate we are to live in a place that is so generous and committed to building a better community. Thank you all so much for the continued success of curling in Aberdeen!

This year we had 24 teams curling in 3 nights of regular league play. The school used the ice 4 days a week and had over 40 school curlers. The local 4H Club rented the ice to practice and they sent a junior team to Provincial finals in February!

We hosted 5 events this year. The Women's Bonspiel, The Town/RM Funspiel, School playdowns for both Junior and Senior teams on separate weekends, and the Meltdown Open Cashspiel.

The curling rink was utilized at the New Years Eve celebration held at the rink and there have been a number of private rentals from family events to corporate Christmas Parties.

We would like to thank the staff of the Rec Complex for providing help with the ice maintenance and the lounge and kitchen for all the good food and drinks we enjoyed all season!

We have really enjoyed our curling season with lots of good curling and good laughs. We invite new and old community members to join us next season!!

The ball diamonds, football field and soccer pitches in Aberdeen are well used during the spring and summer months. The community is fortunate to have a large soccer following and a few minor ball teams have also been formed. The Aberdeen Parks and Rec Board, together with Aberdeen Composite School, built the SportsCentral Clubhouse located in the park. The concession in this building is also available for use during sporting and other activities. Parks and Rec also owns two portable toilets that are available for rent.

To ensure that the green space and concession are not double booked the Parks and Rec Board has put a booking system into place. Wendy Campbell will coordinate bookings of soccer pitches and ball diamonds, as well as the concession for evenings and weekends during May, June, July and August, and September. She is also the contact person for portable toilet rental. Please contact Wendy at campbellw@sasktel.net or 306-202-8292.
