In Flanders' Fields

*In Flanders' fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.*

*We are the dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved, and were loved, and now we lie
In Flanders' fields.*

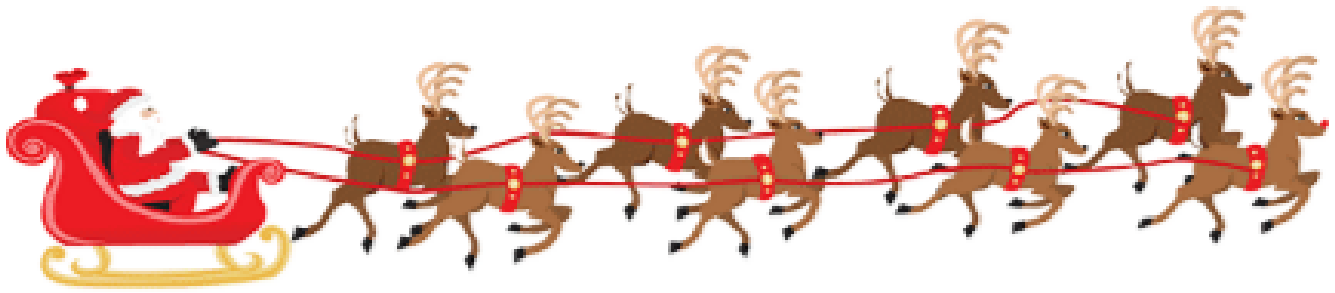

*Take up our quarrel with the foe:
To you from failing hands we throw
The torch, be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders' fields.*

Major John McCrae, 1915

Mayors Corner

One year is complete and this is our year in review. Town applied and successfully received a grant for new lift station and lagoon. Construction is well under way. We reconstructed the ditch going East out of town. We fixed the drainage issues on Blake Cres fondly known as Blake Lake. The water is flowing much better North out of town. Culverts have been repaired and cleaned ready for next spring thaw. Road repairs have been done as needed. We have a few water challenges and are working through those as our system changes and upgrades and are being worked through. The town donated a lot for the community build and in conjunction with the RM of Aberdeen and their donation in kind, we have started building a house to sell on the market with proceeds going to the Aberdeen Rec plex. We have paid off our new town office building. We are finishing the long term Strategic Plan and Asset Management Plan, we hope to have a hard copy by December, so then we can anticipate how roads will be paved or infrastructure replaced on various streets and various community development issues. We have been asked for years about a dog park and we have acquired the long-term use of a large space from SaskTel that will be fenced as Aberdeen's first dog park. We hope that this will allow new people into our community to meet people, and allow people to exercise their animals in an off-leash setting. We want to thank all of our staff for their input and work in completing our projects, we appreciate all that you do. As a council we are only as good as our team. Wait until you see our next year's list!

Aberdeen Christmas Miracles

This wonderful community project is once again sponsored by the Town and R.M. of Aberdeen. Anyone wishing to donate (food, clothes, toys, treats or money) should call Mrs. Claus or drop off donations at the Aberdeen Town and R.M. offices or at the Post Office between November 14, 2017 and December 15, 2017.

There are cash boxes at most of our downtown businesses. All cheques or e-transfers (townaberdeen@sasktel.net) should be made to the Town of Aberdeen so that a Charitable donation receipt can be issued.

MRS. CLAUS & THE ELVES NEED YOUR HELP! If you know of (or even suspect) a family or individual who may need some help and support please call Mrs. Claus or #1 Elf or place anonymous referrals in the suggestion box at the Post Office. Please do not assume that we know everyone. All suggestions will be checked out!

Transfer Station

Beginning February 1st, 2017, the transfer station will be free of charge for all RM Ratepayers. RM ratepayers wishing to use the Transfer Station must have a User Card (available at the RM office during regular business hours). Cards are only valid from January 1st -December 31st of the year they were issued and must be renewed yearly in January. Open Wednesday and Saturday from 10:00 a.m. to 5:00 p.m. Located on the SW 12-38-03-W3. The transfer site has a waste disposal bin for household refuse which is not recyclable or burnable. Several sites have been marked for items such as white metal, burnable etc. Painted wood/pallets are not considered burnable. The site is manned and the gate is locked at all times, except during operating hours as indicated. The municipality will not tolerate garbage being dumped on Municipal roads. There is a \$500.00 fine for anyone caught dumping garbage in the municipality, and the municipality will prosecute anyone that fails to pay the fine. The Transfer Station does not accept old propane tanks, bale wrap/netting or grain bags. The RM of Blucher is allowing ratepayers from the RM of Aberdeen (with valid user cards) to use the waste transfer station located at NW 24-36-03-W3. The RM of Aberdeen will be covering the cost to use this station. The list of accepted items applies to both transfer stations.

Building Permits

Building permits are only valid for 12 months from the date on the permit. All expired building permits must be closed in a timely manner. To book an inspection, contact MA Inspections at 306-250-1082 or office@mainspections.ca. If an extension is required, please submit your request in writing along with your signature and the itemization of the work still required to be completed to the RM office. **No building is to be occupied until after it has had a final inspection and has been deemed safe to occupy by MA Inspections & the RM Council.**

Taxes

2017 Tax Notices were mailed out in July.

Discounts on the municipal portion for current tax payments are as follows:

September 4%, October 3%, November 2%, December no discount. All taxes are due before December 31st of the current tax year. To receive the current month's discount, payments must be received or the envelope must be date stamped by Canada Post prior to the last day of the month. Please be advised that a 1% interest charge is added on to overdue taxes on the first of every month. Please ensure you notify the municipality of any change in your address to ensure you receive your tax notice in time to receive your discount. If you have not yet provided a phone number to the RM, please do so thus we may contact you in case of emergency.

Civic Addressing

After deliberation, the council of the RM of Aberdeen No. 373 has decided to purchase and install civic addressing signs on behalf of all ratepayers, and bill the ratepayer once the cost is finalized. The RM of Aberdeen has greater purchasing power through economies of scale, and utilizing discounts available through our SARM membership will decrease the cost per sign for each individual ratepayer. Signs will be ordered through ATS Traffic and installed periodically, beginning in Division 2. Your civic address can be found on your Tax Notice or can be obtained by contacting the RM Office.

Please visit our website for all upcoming meetings, events, forms, road closures and other important information.

Introducing an new page to our
Community Newsletter.....

SCHOOL COMMUNITY COUNCIL AND HOME AND SCHOOL ASSOCIATION

The SCC and Home and School Association membership includes elected members from parents and community, school administrators and teachers and senior students. Our focus is student learning and well-being. We encourage parent and community involvement and engagement in the school. We are part of the school system and are directly involved in our children's learning by providing students, parents, family, and community members with opportunities to actively participate in planning and governance.

"The evidence is consistent, positive, and convincing: families have a major influence on their children's achievement in school and throughout life....When schools, families, and community groups work together to support learning, children tend to:

- *do better in school*
- *stay in school longer and*
- *like school more"*

So far this year we have supported "Meet the Teacher" night and did a wonderful job decorating the staff members bulletin board. We have also added an additional computer to the school library for school and community use and provided support for enhancements to the grades K-4 music program.

We will be in the library helping out at the Book Fair on October 24th and 25th during Parent/Teacher/Student progress meetings.

We have also planned a special event for Thursday November 23rd so please save the date. It is a free Parent/Child activity night along with refreshments and prizes! Watch for the poster!

As we head into the holiday season we will be doing our Annual Christmas Concert Baskets. Each class gets to build a basket to raffle at the concert.

As you can see we are a busy group of parents and administrators. As a parent or community member we encourage you to become more involved with the school to help our young citizens learn and aid in their well-being. Our next meeting is Monday November 6th at 5:15 pm at the school. These are open meetings and all are welcome!

Aberdeen Sunset Rangers
Multiple 4-H Club

CANADA
4-H Saskatchewan

Our Club is off to a great start! We have 23 members in 7 different project areas. This year we have Lighthorse, Rodeo, Rodeo Jr., Vet, Robotics, Photography and Car Care. 2017 is the 100 year Anniversary of 4-H Saskatchewan and our members are happy about it. Several of our members attended the 4-H Gala with Temple Grandin as a main speaker. November 1st is National 4-h day and all members are going to wear green and white the 4-H colours. 4-H Saskatchewan's goal this year is to promote food security and agriculture. The goal is to collect 3800 lbs of food - one pound for every member and leader in Saskatchewan.

Our club is holding a fun indoor camping weekend where we will be collecting food for the food drive, playing games, eating a pancake breakfast and having lots of fun.

Our Vet and some Lighthorse members attended Vetavision and learned a lot about farm animals.

Our club voted to hold district curling. It is the first time ever hosting it and we are excited and look forward to competing against clubs across the district.

The Sunset Rangers has grown a lot this year and we are looking forward to all of our events and activities.

Words cannot express the gratitude we have, to all our friends, neighbours and family, during the difficult time of dad's passing.

To all who put their own work aside to help with harvest was greatly appreciated, and will never be forgotten. Thank you for everyone's loyalty and friendship to dad over the many years. For all, of the phone calls, cards, flowers, food and funny stories. We are so grateful to have such wonderful and caring people in our community.
