Fun Fact

Saskatchewan's official flag was adopted in 1969. It features the provincial shield of arms along with the floral emblem, the western red lily. The flag's upper half is green, representing Saskatchewan's northern forests; the lower half is gold, symbolizing the southern grain areas.

Neighborhood Etiquette By Debby Mayne Follow These Tips to be a Better Neighbor

Tips on being a good neighbor:

- Observe and respect your neighbor's personal space.
- Try not to borrow anything, but if you must, return the item immediately after using it. If you break the item, pay to fix it or replace it.
- Don't be the neighborhood gossip. That's just rude and will eventually come back to bite you.
- If you have an issue with a neighbor, go directly to that person and discuss it in an adult manner. Don't call the cops unless you are threatened.
- Not everyone is a dog or cat lover, so show responsibility for your pets. That includes keeping them off the neighbor's lawn and picking up after them.
- A good neighbor is one who maintains the exterior of the house and lawn at least at the same level as the rest of the neighborhood.
- If you and a neighbor have a misunderstanding, make an extra effort to make things right by shaking hands and at least being on friendly terms. You don't have to hang out. A simple wave as you pull into the driveway is sufficient.
