### WANTED – “Staging Manager” for EMO

The Town and District of Aberdeen are seeking a volunteer to act on the Emergency Measures Organization team as a “Staging Manager”. The volunteer would ideally be a person who is organized, can work independently and be able to record incoming and outgoing personnel and equipment. The role is an important position as it helps the Emergency Operations Centre in town know where all resources are and what is available to use. The time commitment would be only about 1.5 hrs per month from September until June to attend EMO meetings held in Aberdeen. If a large-scale emergency occurred which required activation of the Emergency Operations Centre, the volunteer (along with all other EOC volunteers) would be needed to meet at the Emergency Services Building for the duration of the emergency. In the past three years, we have never been activated but as in the Calgary flood, the Fort Mac fires and the LaRonge fires have shown it can happen anywhere without warning. We would only be activated for a large-scale emergency affecting The Town and District of Aberdeen. If you would like to know more about this important way to help your community while investing a small amount of time please contact the EMO Coordinator Paul Siwy at 306-371-5999.

If a passing motorist phones in to report a fire that you have not registered with the Municipality and the Provincial Fire Center, we will be forced to fine you \$500. ### **Transfer Station-Regulation Changes**

Beginning February 1<sup>st</sup>, 2017, the transfer station will be free of charge for all RM Ratepayers. RM ratepayers wishing to use the Transfer Station must have a User Card. User Cards can be picked up at the RM Office during regular business hours. Cards are only valid from January 1<sup>st</sup> -December 31<sup>st</sup> of the year they were issued and must be renewed yearly in January.

Open Wednesday and Saturday from 10:00 a.m. to 5:00 p.m. Located on the SW 12-39-03-W3. The transfer site has a waste disposal bin for household refuse which is not recyclable or burnable. Several sites have been marked for items such as white metal, burnable etc. Painted wood is not considered as burnable.

The site is manned and the gate is locked at all times, except during operating hours as indicated. The municipality will not tolerate garbage being dumped on Municipal roads. There is a \$500.00 fine for anyone caught dumping garbage in the municipality, and the municipality will prosecute anyone that fails to pay the fine. **The Transfer Station is no longer accepting old Propane Tanks.**

### **Spring Weight Restrictions**

The Spring road bans are not yet in effect but will soon be. As spring arrives, the roads are beginning to become very soft. Hauling heavy semis or equipment on roads that are soft can create a large amount of damage to the roadway. Any costs incurred to repair damaged roads will be charged back to anyone caught damaging the municipal roads. Be advised that Drews Rd, Old 27 Rd, and Bettker Rd all have 10 ton limits.

Please check our website or our Facebook page for notification pertaining to the spring road restrictions. For information on maximum weights permitted during the road bans, please contact the Department of Highway at 1-800-667-7575 or visit their website [www.highways.gov.sk.ca/](http://www.highways.gov.sk.ca/)

### **Property Assessments**

All properties are revaluated by the Saskatchewan Assessment Management Agency (SAMA) based on a four-year cycle. 2017 is a revaluation year. Assessment Notice stating your property assessment will be mailed out sometime in the early spring. The Assessment Notice is the official notice of the assessed value of your property as determined by SAMA. Your assessment notice will have the appeal form on the back of the sheet as well as the deadline for an appeal. Deadline will be 60 days from the mailing date of the assessment notice. **This notice and time-frame is the only opportunity for appealing assessments during the year.** If you disagree with the property value established by SAMA, there is a formal appeal process available to you. Appeals must be based on an error in your property assessment and not based on the amount of taxes paid for the property. Property reports may be viewed on the SAMA website [www.samaview.ca/sama/](http://www.samaview.ca/sama/). Please check our website or Facebook page for updates on the deadline and other important information.

Please visit our website for all upcoming meetings, events, forms, road closures and other important information.
