COMMUNITY BUILD

Volunteers are needed for April, with or without experience. Please text (306)241-2587 or email aberdeenmayor@sasktel.net

REMINDER

Unpaid Utility Accounts- Utility Bills are due within 30 days. After 60 days your services can be disconnected without notice. Our Bylaw states that a \$75. disconnection and a \$75. reconnection fee will be charged to anyone having their water turned off.

In the upcoming weeks the Bylaw Enforcement Officer will be contacting ALL Business and Pet Owners who have not yet purchased business licenses or registered their pets.

Do so now to avoid penalties.

FLOOD PREVENTION

Individual Property Owners:

- Clear neighbourhood storm water catch-basins, where present, to help water drain.
- Shovel or remove snow from around your home and move it to a position where melt water will drain away from the foundation.
- Ensure downspouts are extended so they discharge rain or melt water a minimum distance from your home to avoid it draining back towards your foundation. The suggested minimum distance is two metres.
- Check to make sure your sump pump is working. If you don't have a sump pump consider installing one. Contact a plumber for assistance if needed.
- Consider installing a mainline Sewer Backwater Valve to protect against sewer backup.
- Keep basement sewer caps in place.

Check your basement regularly for signs of water and consider installing a water-sensing alarm

Dear Town of Aberdeen

February 12, 2018

Thank You for presenting such a fabulous resolution on public funding at SUMA! Libraries and having access to a diverse selection of books and other resources is pretty important to my life. The resources that I access through SILS improve my business, my relationships, my marriage & my interaction with the world, as well as my emotional, spiritual and physical health. I know there are thousands of others in our province who are similarly impacted. Thank you for supporting learning and reading – and life and health! – in presenting that resolution for public library funding at SUMA. You put a smile on my face and planted a little hope in my heart today. Thank you!

Sincerely,

Hannah Larsen

Spring Weight Restrictions

At the time of the newsletter submission the spring weight bans were not yet in effect but soon will be. As spring arrives, the roads are beginning to become very soft. Hauling heavy semis or equipment on roads that are soft can create a large amount of damage to the roadway. Any costs incurred to repair damaged roads will be charged back to anyone caught damaging the municipal roads. Be advised that Drews Rd, Old 27 Rd, and Bettker Rd all have 10 ton limits.

Please check our website or our Facebook page for notification pertaining to the spring road restrictions. For information on maximum weights permitted during the road bans, please contact the Department of Highways at 1-800-667-7575 or visit their website www.highways.gov.sk.ca/

Building Permits

Building permits are only valid for 12 months from the date on the permit. All expired permits must be closed in a timely manner. Contact MA Inspections at 306-250-1092 or office@mainspections.ca to book an inspection. If an extension is required, please submit your request in writing along with your signature and the itemization of the work still required to be completed to the RM office. Forms & information for builders is available at www.mainspections.ca

Property Assessments

All properties are revaluated by the Saskatchewan Assessment Management Agency (SAMA) based on a four-year cycle. 2017 was a revaluation year. Only properties with changes over the past year will have Assessment Notices mailed to you in 2018. The Assessment Notice is the official notice of the assessed value of your property as determined by SAMA. Your assessment notice will have the appeal form on the back of the sheet as well as the deadline for an appeal. The 2018 Deadline to appeal will be 30 days from the mailing date of the assessment notice. **This notice and time-frame is the only opportunity for appealing assessments during the year.** If you disagree with the property value established by SAMA, there is a formal appeal process available to you. Appeals must be based on an error in your property assessment and not based on the amount of taxes paid for the property. Property reports may be viewed on the SAMA website www.samaview.ca/sama/. Please check our website or Facebook page for updates on the deadline and other important information.

Please visit our website for all upcoming meetings, events, forms, road closures and other important information.
