Your assessment notice will have the appeal form on the back of the sheet as well as the deadline for an appeal. The 2018 Deadline to appeal will be 30 days from the mailing date of the assessment notice. **This notice and time-frame is the only opportunity for appealing assessments during the year.** If you disagree with the property value established by SAMA, there is a formal appeal process available to you. Appeals must be based on an error in your property assessment and not based on the amount of taxes paid for the property. Property reports may be viewed on the SAMA website [www.samaview.ca/sama/](http://www.samaview.ca/sama/). Please check our website or Facebook page for updates on the deadline and other important information.
