Unfortunately, our MuniSoft program is having problems with SaskTel email addresses, we have been told an update is coming in a couple of weeks. This is due to a change with SaskTel. Anytime the attached file name is greater than 70 characters it will be truncated and the extension will be changed to ".dat". This only seems to affect SaskTel email addresses and only when the person is receiving email using Outlook. There are three ways to view the bill:

- View the email using SaskTel webmail
- Select to open the file with a PDF view
- Save the attachment with a .PDF extension.

Mayor's Corner

A BIG Thank you to all the farmers past and present who continually volunteer their time and energy to seeding, fertilizing & harvesting various land with profits going to the rink. This list that I know of now is Ken Kreuger, Justin Wright & father-in-law, Eric Hagele, Blair Tomolak, Hamoline Farms and Dan Fletcher, who was part of developing this project years ago. If you see any of these people please pass on your thanks as this extra money helps us keep the rink up and running.

Thank you to the Rink Staff for painting the bleachers as well as Darcy Tomolak. Thanks to Len Lozinsky & Cody Wutzke for installing the new super bright LED lights in the rink and to Cargill Aberdeen for the grant.

Thanks to the people helping on the Community Build. We require more help to finish up. Please contact the office at 306-253-4311 and leave your name & number.

The RAS product is going down on the roads. Please be aware of the town equipment spreading & stay back from them. We request you try to start driving to either sides so as to help pack the entire road rather than one track. Thanks to Brad & Mural for doing a great job on road shaping prior to RAS spreading.

Super proud to say 2 of our town councilors and volunteer firefighters, Brian Vandenberg & Ryan White, who took time out of their lives to drive to Esterhazy, wear full turnout gear and climbed 102 floors simulating the World Trade Center floors.

Aberdeen & District Fire & Rescue

Fire Prevention Week ~ October 7-13, 2018

Hey Kids (Kindergarten to Grade 3) enter the draw to be "Fire Chief for a Day". You could get some pretty cool things, get picked up & dropped off in the fire truck for school. Get the details from your teacher - the week of Fire Prevention.

This year's theme is: **"Be Aware – Fires Can Happen Anywhere!"**

- *Make an Exit Plan*
- *Know two ways out of every room*
- *Get out safely and stay out*
- *Find your meeting place*

Fire Safety Starts at Home...

Most fatal fires in Saskatchewan start in the home. Kitchen fires are the #1 cause of home fires. You can protect your family and property by taking these fire steps.

Smoke alarms save lives ONLY when they are working

- Test smoke alarms at least once a month – push the test button.
- Install new batteries at least once a year or when your alarm "chirps" with a low battery warning.
- Smoke alarms do wear out – replace every 10 years.

Make an escape plan

- Plan and then practice your escape. Every member of your family should know at least two ways out from every room.
- Make sure open doors and windows are easy to open. When escaping from an upper story window, plan a safe way to the ground.
- Pick a meeting place outside the home where every member of the family can gather once they've escaped.
- Know your local emergency number and call from a cell phone or a neighbor's house. Wait safely outside for the Fire Department to arrive.

Child fire play

- Children are fascinated by fire. Teach them about the dangers of fire and put fire starters out of their reach.
- Store matches and lighters up high or locked in cupboards.
- Don't leave children unsupervised around candles or open flames.
- Teach your children their part in the family escape plan.
- Let children know they should tell an adult if they find matches or lighters lying out – never to touch them.

Heat safety

- Keep space heaters and wood stoves off when you go to bed or leave the house.
- Always turn space heaters off when you go to bed or leave the house.
- Never leave children alone with a working fireplace, wood stove or space heater.
- Use a metal spark screen on your fireplace.
- Have your chimney inspected once a year by a professional. Clean chimney and flue pipes of creosote build up.
- Burn only dry, seasoned wood in wood stoves and fireplaces.

Big fires start small

- Don't give fire a place to start. Keep things neat. Clear clutter and combustibles out of basements – particularly near furnaces and hot water heaters.
- Never leave stove on, unattended. Use pot cover to smother fire.
- Do not overload an electrical outlet.
- Store flammable liquids – like paint thinners and gasoline – outside the home.
- Leave fire fighting to the experts. Fire grows surprisingly fast. Don't waste precious seconds trying to control any but the smallest fire. Get everyone out and call the Fire Department from a safe place.
- Fire safety is a way of life. Make an escape plan and practice it regularly. Put reminders to check smoke alarms on the family calendar – and when the date comes up – make the check. Make a regular fire safety inspection and correct any hazards you find.

ABERDEEN CHRISTMAS MIRACLES

Sponsored by the Town and RM of Aberdeen

We follow this guideline: hamper recipients must live in the Town or RM of Aberdeen and/or children must go to school in Aberdeen.

Do you know a family in need of help or support? For example:

- Serious illness, surgery
- Layoff, accident, or other family trauma
- Someone who needs food and/or sinter clothes

Mrs. Claus and the Elves need your help finding these families.

- Take a moment to carefully look around you
- Remember "need" can mean many things and can be long or short term
- Do not assume that we know everyone's situation
- Do not assume that someone is on our list
- Every situation (referral) is checked and verified from four different sources
- No verification means no hamper
- Verification helps determine specific needs and set priorities / size and content of hampers
- Do not use our Facebook page for referrals: referrals are anonymous and confidential
- See below for contact info for referrals (Paulette, Marcea, or Post Office)
- Extra info is very helpful: full name, address, family situation, children's names and ages and sizes, allergies, medical conditions (that have dietary restrictions), etc.

**** Deadline for referrals is November 30, 2018 ****

Sincerely,

Mrs. Claus (Paulette) 306-220-5391
