Civic Address Signs

The RM of Aberdeen staff is working to install Civic Address signs in the rural areas. The Civic Address Signs have not yet been received from the printers. In an effort to speed up the installation process, the staff is out installing the post and will return to install the sign once it has been received.

Please note that prior to any sign being installed, Line locates must be completed. Wooden stakes are temporarily being placed until such time as line locates can be completed. Once the line locates have been completed, the wooden stakes will be replaced with a steel post. Please do not remove the wooden stakes or steel posts.

Your civic address can be found on your Tax Notice or can be obtained by contacting the RM Office. If you live along a road that was recently named at the July or August regular council meeting, a notice will be sent out with your new civic address.

*****Please be advised, if you used a civic address as your service address for your security system providers or utilities providers, you will need to contact them to update your civic address. TOWN OF ABERDEEN Utility & Tax E-Billing

For all Aberdeen residents signed up for e-billing prior to September 30/18 your names will be entered into a draw for "one \$100 off" on your next water bill. For those of you who have not signed up yet please contact the Town Office and an Email Consent Form will be forwarded to you. The lucky winner will be contacted after September 30, 2018. For any questions please contact the office by telephone at (306)253-4311.

Unfortunately, our MuniSoft program is having problems with SaskTel email addresses, we are currently trying to work out any glitches caused to our billing program. This is due to a change with SaskTel. Anytime the attached file name is greater than 70 characters it will be truncated and the extension will be changed to ".dat". This only seems to affect SaskTel email addresses and only when the person is receiving email using Outlook. There are three ways to view the bill:

- View the email using SaskTel webmail
- Select to open the file with a PDF view
- Save the attachment with a .PDF extension.

NEW LIFT STATION AND LAGOON UPDATE

Our new state of the art lift station is now in full operation. Contractors have now begun construction on our new lagoon. It will be located just to the north of Aberdeen. We have received installments from the Federal and Provincial governments as the project has progressed. Funding from the Federal Government totals \$1,500,000, Provincial \$750,000, and local \$750,000 (Town of Aberdeen). We will have used Capital reserves and infrastructure fees totaling approximately \$550,000 by year end. We will be borrowing \$200,000 (over a 3 year term) to complete this project by the March 2019 deadline.

FALL GARDEN CLEAN UP

Town maintenance staff will be picking up garden refuse ONLY on Wednesday **October 10th** and Thursday **October 11th**, 2018 (weather permitting). Please have piled for easy access. Please Note: ALL refuse must be in **CLEAR** bags or it will **NOT** be picked up. Branches must be tied in 4' bundles. Please call the Town Office to schedule a pickup. Only those that have called the office to book will have their refuse collected. Dumping of grass clippings and leaves in back alleys and the open field is NOT permitted.

Super excited that the towns asphalt RAS dust control is working. The areas that have been done are noticing substantial difference. The exciting part is that the whole town will be getting done! Our town will look like we have paved streets very soon without the cost. We are the first town that will have it done this way. For those of you that are interested and want to do your driveways you can contact me and I can put you in touch with supplier. You will pay directly to the supplier. Spreading would be your responsibility or hire someone to spread it. We have found out it works as a sound barrier as well so that's good news. Thanks for all the feedback on this product!

Once completed, a memorial plaque will be installed to commemorate Wayne's dedication to our community and the game he loved. Donations can be dropped off at the town office.
