### **Custom Work 2019 Rates**

**RM Shop 306-253-4330** (please leave a detailed phone message) or call the Office at 306-253-4312

Ratepayers \$120 per hour - \$60.00 Minimum Charge plus PST.

Non Ratepayers & Developers \$160 per hour- \$80.00 Minimum Charge. Work Authorization Form must be filled out before any work will be performed. *If you rely on the rural municipality for custom work, please note that the rural municipality's policy is to clear all roads first before any private custom work is done.*

### **Spring Weight Restrictions**

The spring weight bans will soon be in effect. Hauling heavy semis or equipment on roads that are soft can create a large amount of damage to the roadway. Any costs incurred to repair damaged roads will be charged back to anyone caught damaging the municipal roads. Be advised that Drews Rd, Old 27 Rd, and Bettker Rd all have 10 ton limits.

Please check our website or our Facebook page for notification pertaining to the spring road restrictions. For information on maximum weights permitted during the road bans, please contact the Department of Highways at 1-800-667-7575 or visit their website [www.highways.gov.sk.ca/](http://www.highways.gov.sk.ca/)

### **Property Assessments**

The assessment roll is now open and may be viewed at the RM Office, mon-fri, 8:00am -4:30pm until April 24<sup>th</sup>, 2020. The Assessment Notice is the official notice of the assessed value of your property as determined by SAMA. Your assessment notice will have the appeal form on the back of the sheet. The 2020 Deadline to appeal will be April 24<sup>th</sup>, 2020 at 4:30pm. **This notice and time-frame is the only opportunity for appealing assessments during the year.** If you disagree with the property value established by SAMA, there is a formal appeal process available to you. Appeals must be based on an error in your property assessment and not based on the amount of taxes paid for the property. Property reports may be viewed on the SAMA website. Please check our website or Facebook page for updates on the deadline and other important information.

### **Transfer Station**

The Aberdeen Transfer Station will remain open at this time, with some minor changes to operations. To ensure the health and safety of our Transfer Station Attendant during the Covid-19 pandemic, the attendant has been instructed limit interactions with the public. Town residents are still required to pay with Tokens when dropping off their garbage. Tokens can be purchased at the Town office and at Gido's Convenience Store.

The RM council will continue to monitor the situation and may impose changes as needed. Please follow us on Facebook to receive regular updates regarding the Transfer Station and other RM services.

### **Spring Ratepayers Supper**

After much discussion, Council feels it would be in the best interest of the ratepayers to postpone the Annual Ratepayers Supper usually scheduled in April, due to the concerns surrounding COVID-19. The new date is still to be determined.

**Please notify the municipality of any change in your mailing address to ensure you receive your tax notice and other important correspondence in a timely fashion.**

Please visit our website for all upcoming meetings, events, forms, road closures and other important information. [mofaberdeen.ca](http://mofaberdeen.ca)

# TOWN OF ABERDEEN

## COUNCIL'S CORNER

Town Council meetings are open to the public. We meet at the TOWN OF ABERDEEN Office Chambers, 401C Main Street, 7:00 pm usually every 3<sup>rd</sup> Tuesday of the Month. Our next council meeting is scheduled for Tuesday April 21, 2020.

Any Delegations wishing to address Council are required to complete a **Delegations Policy form** and have it submitted to the Town Office no later than the Thursday prior to Council meeting date. You may obtain these from the Town Office. These forms are also available on our website [www.aberdeen.ca](http://www.aberdeen.ca)

**URGENT:** When using disinfectant wipes please know that the wastewater plant **CANNOT** process them. They need to be disposed of in the garbage, not flushed down toilets. Wipes, including baby wipes, napkins, paper towels and tissues are clogging up pumps and equipment at the wastewater treatment plant.

Over time, back lanes can deteriorate, forming ruts, pot holes and low spots due to an extreme change in weather conditions, regular vehicle traffic, drainage from private properties, overgrown vegetation, and large equipment.

- To prevent deterioration of your back lane, residents should trim back any overgrown trees on their property.
- Our equipment is getting lights broken, windshield cracks, and other damage from these large branches.
- To assist our maintenance staff, residents should avoid adding topsoil or other materials along the fence/property line so that operators have full view of any potential hazards that could damage equipment or fences.

Please DO NOT leave any items in the alley.

### FLOOD PREVENTION

Individual Property Owners:

- Clear neighbourhood storm water catch-basins, where present, to help water drain.
- Shovel or remove snow from around your home and move it to a position where melt water will drain away from the foundation.
- Ensure downspouts are extended so they discharge rain or melt water a minimum distance from your home to avoid it draining back towards your foundation. The suggested minimum distance is two metres.
- Check to make sure your sump pump is working. If you don't have a sump pump consider installing one. Contact a plumber for assistance if needed.
- Consider installing a mainline Sewer Backwater Valve to protect against sewer backup.
- Keep basement sewer caps in place.

Check your basement regularly for signs of water.

# TOWN OF ABERDEEN

In light of the Covid19 pandemic we will be closing the Town Office to the public from Friday, March 20, 2020, to Monday April 6, 2020. Up until Thursday 5:00pm we will have a sign on the door asking those that have flu like symptoms to refrain from entering the building, but rather drop payments in the mail slot, or phone/email from home with any questions.

We are encouraging residents who have not yet signed up for e-billing or on line/e-transfer to do so. We will continue to have staff in the office during these dates from 9:00am - 12:00pm and 1:00pm - 5:00pm to answer any questions by telephone, text or email only. Our Maintenance Staff will not be interacting with the public but will continue with their duties as needed, so please if you have any questions of them, again direct them to the Town Office. For the March Utility billing we will not be reading meters but prepare an estimate only. We ask those that do not send payments by e-transfer or online banking to wait the 2 weeks to pay their bill so we don't need to visit the bank during this time. We thank you for your cooperation, and appreciate your help in protecting our staff and their families. Please call the Town Office if you have any concerns @ (306)253-4311. Keep safe everyone!

## Protect yourself and others!

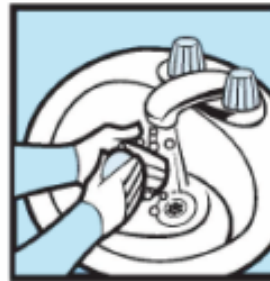

### Help stop the spread of harmful viruses.

Cover your mouth and nose with a tissue when you cough or sneeze.

No tissue? Cough or sneeze into your elbow, not your hands.

Wash your hands often with soap and warm water, or use a hand sanitizer.

Stay home if you are sick.

Hand washing is important to stop the spread of germs and avoid getting sick. Stay healthy. Wash your hands often and for **at least 20 seconds**.

On April 28<sup>th</sup>, 2020 the Town of Aberdeen will once again recognize the Provincial Day of Mourning by lowering the flags.

There will be no public meeting this year and our thoughts and thanks go out to all of the workers world-wide who remain at work to protect the health and safety of others while putting themselves at risk during this world pandemic.

The annual day for Safety and Health at work promotes the prevention of occupational injury and diseases globally. It is

part of a campaign to raise awareness and intended to focus international attention on the magnitude of the problem and on how promoting and creating a safe and healthy culture in the workplace can reduce the number of work-related deaths, illnesses and injuries. Its purpose is to honor the memory of victims of occupational incidents and diseases.

While we honor the injured, the ill and the fallen workers on April 28<sup>th</sup>, we recognize the day as one for commemoration and for mobilization, we must also recognize that these injuries and fatalities can be prevented by having a strong health and safety culture in our workplaces.

- Over 100 countries recognize a world day for safety and health at work on April 28th.
- In 1988 Saskatchewan proclaimed The Victims of Workplace Injuries Day of Mourning Act.
- In 1990 the Federal Government passed the Workers Mourning Day Act.
- In 2003 the International Labour Organization (ILO) recognized the International Memorial Day to promote health and safety as a basic human right across the globe.
- Worksafe Saskatchewan published a Fatalities and Serious Injuries Strategy (2019-2021). Available at [www.worksafesask.ca](http://www.worksafesask.ca) .

# SOCIAL DISTANCING:

## What does it mean?

**Social distancing means reducing close contact between people to slow the spread of infectious diseases.**

**Slowing the spread of the virus will help our hospitals be able to care for patients. If too many people get sick at once they might not be able to care for everyone who needs help.**

### From the Pastor's Desk:

In this time of social distancing and anxiety over the uncertainty of the future, I want to encourage you all and offer a few scripture verses that speak into this moment in our lives. It is not easy to face the potential loss of income or adjust to a new reality of schools being closed for such a long time. We need each other more than ever for encouragement and support even as we maintain a physical distance to flatten the curve of COVID-19 spread in Aberdeen and beyond. The fact that this season of pandemic descended on our community during Lent can offer an instructive way to view this time as a trial. And to remember that Jesus knows the lonely and scary walk through trials. This time tests our relationship with God. With Jesus, we wonder "My God, my God, why have you forsaken me?" (Psalm 22:1) And at the same time we know that hope is found in trust of the eternal one, as we remember the earth is the Lord's (Psalm 24:1). We see the goodness of the Lord in the land of the living (Psalm 27:13).

Grace and peace to you in the name of the Risen Christ
