& Wed. January 1, 2020

Please note: We are experiencing issues at our new lift station due to oils, fats, hygiene products, wipes and misc. items being flushed down our sewer lines. Recently public works staff found miniature shampoo bottles, 2 to 3 feet thick chunks of fat around pipes and pumps. They have also found tennis balls, wire, pop cans and small toys.

When frying food any leftover grease can be chilled until it hardens and thrown out in the garbage.

**This lift station has not even been operating for a year. These fixes are very costly....please do not dispose of these items down your drain. Thank you.
Town of Aberdeen Public Works.**

Outstanding Building Permits

There are a large number of outstanding building permits throughout the Town of Aberdeen. Many of these permits have construction deficiencies, which have still not been addressed, and some just need a final inspection. The Town is required by provincial legislation to enforce the National Building Code to ensure safe construction standards are met. Therefore, it is important for you to complete the work as listed on your last building inspection report from MuniCode Services and then call them at (306) 955-6355 to arrange a final inspection. If your project is not near completion and can't meet the 1-year permit deadline, please call the Town Office at (306) 253-4311 to ask for an extension to complete the project.

If you are unsure whether your property has any permits that have not been dealt with please check by calling the Town Office.

Please note: Should you go to sell your home these deficiencies and outstanding permits will come up on a Property Information Disclosure and could potentially stop the sale.

From the Pastor's desk:

Happy New Year to all! 2019 was full of challenges and opportunities, joys and sorrow. Reflection on the year that was allows us to recall those moments and give thanks to God for his continued faithfulness through the changing years and seasons. As you look forward to the year ahead, what are your hopes for 2020? What are the twists and turns that lie ahead on the road of your life? There is much that remains uncertain about the future. However, at this time of year hope abounds! By the grace of God, we will share in the blessings of 2020 even in the midst of the challenges that will inevitably arise. One of the gifts of God is a community to lean on and we have a good one here! Continue to offer support and grace to one another and shine the light of love into the lives of our neighbours.

"You are the light of the world. A city on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on a stand and it gives light to everyone in the house. In the same way, let your light shine before all" (Matt 5:14-15).

THANK YOU FROM THE ABERDEEN REC COMPLEX

HAPPY HOLIDAYS!

The ARC held its Annual General Meeting on December 3rd, 2019. Attendees had a delicious wing buffet before getting down to meeting business. There was a representative from Grant Thornton to present the audited Financial Statements. Thank you to all those who attended and thank you to the following who volunteer their time and energy to the ARC 2019-2020 Board of Directors:

Trevor Cornish
Justin Wright
Crystal Bidaux
Christie Hrynuik
Mark Shaffel

Cody Wutzke
Real Hamoline
Ryan White
Brett Hamoline

The ARC Board has a vacancy for one more board member. Please contact the Complex if you have time and some great ideas to put towards your community Sports and Rec Centre.

Thank you to the outgoing board members Bridgette Shwytky and Rene Horner. Special Thanks to Rene and Scott Horner who volunteered many hours during the summer months to keep the doors open! The addition of roller skating and wrestling was a great boost to getting new people through the doors.

Thank you to Solid Core Homes and all the sub-contractors and volunteers who worked so hard at the community build. Welcome to the new family who purchased their Beautiful New Home!

It takes a special community to accomplish the projects The Town of Aberdeen and RM residents have done.

Thank you to the group of ambitious citizens who created, marketed, and brought the Travel Club fundraiser to the ARC. Together they raised over \$10,000.00!

The ARC Holiday Hours:

The kitchen will be closed December 23rd - January 1st - reopening on January 2nd.
The lounge will be closed December 23rd - January 5th – reopening for the Knights Game.

Public Skating Holiday Hours:

Closed Dec 23 – Dec 26th

Open for \$2.00 Public Skates - December 27, 28, 29 and 30
2 pm - 5 pm

You are able to rent the Arena Ice Surface or Curling Ice surface for private rentals. If you are interested please contact the ARC at 306-253-4332.

As we travel around the province for Hockey Tournaments, Broomball Tournaments, and Curling Bonspiels we see how truly fortunate we are to have such an amazing Community and Sports Complex. There will be a number of small towns in the next decade who will be forced to shut down their failing buildings and will have no means to afford to build again.

Thank you to those individuals 15 years ago who had the foresight and ambition to get the ARC built. It took many years of fundraising and many events. For those of us who benefit now and in the future we have our own work to do to ensure the continued operation of this solidly built complex. We will need to fundraise again as has been done in the past. Please be willing and thankful for the opportunity as for many communities it will be beyond reach.
