WHAT'S HAPPENING

The Town of Aberdeen has applied under “Investing in Canada’s Infrastructure Program” funding for a Reservoir and Water Plant Expansion with a potential of \$3,400,000 in funding.

We should be notified shortly if we are approved.

Please **DO NOT DISPOSE of oils, fats, hygiene products, wipes and misc. items by flushing them down our sewer lines. Our public works staff have found big clumps of tampons, baby wipes, miniature shampoo bottles and 2 to 3 feet thick chunks of fat around pipes and pumps. They have also found tennis balls, wire, pop cans and small toys.**

When frying food any leftover grease can be chilled until it hardens and thrown out in the garbage.

These fixes are very costly....please do not dispose of these items down your drain. Thank you. Town of Aberdeen Public Works.

Globe Walk

Regarding an earlier post on Town of Aberdeen Community Page seeing if there was interest in forming a team to participate in the Globe Walk, an age-friendly initiative of Saskatoon Council on Aging (SCOA), partnering with Forever in Motion and Saskatchewan Senior Fitness Association

SCOA (Saskatoon Council on Aging) is a non-profit organization who dedicates their services to older adults aged 55 and up. They promote positive aging by offering resources, classes and events to all older adults within and around Saskatoon. Their website also has lots of valuable information and resources. Please refer to their website <https://www.scoa.ca/>

One of their many programs is Globe Walk. This program runs from January to April. It is a fun way to stay active this winter, it promotes healthy minds and bodies by encouraging and challenging one to keep active! This program is ANY activity! Inside or outside, alone or with others. All forms of physical activity count - dog walking, snow shovelling, walking to pickup mail, doing chores, biking, swimming, vacuuming, etc. Keep track of your distance, steps, or time. At month end, give totals (distance or time) to Team Captain, who submits totals to SCOA Globe Walk Coordinator. Challenge yourself and others, get motivated, have fun, invite friends and family to partake, or form your own team.

DISCOVER THE BLUE ZONES 2024

Join us on a journey
to health and wellness

Where the
world's
healthiest
people live

Stay active this winter -
all movement counts!

I am happy to take a lead on this endeavor for Aberdeen and District, please email me (*Paulette Pryma* tp.pryma@gmail.com) to get your name on the team roster or for more information. We can develop this however we want (have weekly or monthly get togethers, arrange regular walking sessions, etc....welcome all ideas!). <https://scoaglobewalk.net/about-scoa-globe-walk/>

The measurement of success for this program? "Discover the Blue Zones" (Ikaria, Greece; Okinawa, Japan; Ogliastra Region, Sardinia; Loma Linda, California; Nicoya Peninsula, Costa Rica) - the top 5 healthiest places in the world! The goal for each month is to "walk" to each destination as a team, with one month to complete a destination. There are events in Saskatoon throughout this journey, one each month in Saskatoon if so desired (we can create our own in Aberdeen). This allows you to enjoy activity with others, make new friends and enjoy refreshments, however this is not mandatory. Really....the success is YOU.

Globe Walk Challenge

Challenge yourself and others who are 50+ to participate in a fun winter physical activity routine.

Stroll or roll, hike or bike, gym or swim - all physical activity counts! also includes

Vacuuming, making your bed, walking stairs, playing with grandchildren

We'll begin January 1, 2024 and count kilometers travelled through physical activity until April 30, 2024.

15 minutes = 1300 Steps = 1KM

At month end give your team captain the KM travelled through physical activity. The team Captain submits totals online.

Example to convert time to KM: Eg. 300 min divided by 15 = 20 KM or 5 hours divided by 0.25 = 20km

The Saskatoon Council on Aging is a community leader promoting positive aging for all, in an age-friendly community.

During community consultations for the Age-Friendly Saskatoon Initiative, older adults identified the need for more physical activity during the winter months. The Globe Walk Challenge is a response to that need.

- I am a SCOA member
- I would like information about SCOA membership

What are you waiting for? How to Join

Step 1: If you are on a team, go to Step 2. If you want to be a Team Captain, join the SCOA Team or form your own team, phone SCOA 306.652.2255.

Step 2: Fill out the form on the reverse of this brochure and give it to your Team Captain.

Step 3: Keep track of your distance, steps or time. Remember that all forms of physical activity count [not just walking] and that every 1 kilometre = 30 minutes of exercise.

Step 4: At month end, give your totals [distance or time] for that month to your Team Captain. The Team Captain submits team totals to SCOA Globe Walk Coordinator.

Step 5: Get motivated, have fun, invite friends and family to take part and join everyone for a celebration party at the end of the Globe Walk.
